In the E. D. Hospl: at Bangalore there is now provision for 8 beds for Tuberculosis patients. The cost of this section of the Hospl: is borne equally by the Govt and the Municipality. The S. S. is of opinion that there is no necessity for another Sanatorium at Bangalore. Moreover, the Municipality perhaps means that the cost of a separate building proposed by them should be met from State funds. (It is not quite clear).

The Municipality may perhaps be informed in terms of parag. 1 of the S. Ss note (Flag A).
